## NITROGLYCERIN EXPLOSION.

Narrow Escape of Gas-Well Drillers Near Chesterfield, Ind.

CHESTERFIELD, Ind., Nov. 27.—An explosion of nitroglycerin occurred one-half mile west of this city at 9:10 o'clock Thursday night. Sixty quarts of nitroglycerin were hauled there for the purpose of shooting a gas well yesterday. The explosive was placed in a large zinc tub, located at the end of the steam exhaust pipe, for the purpose of thawing out the mixture. It is the theory that the tube became overheated, causing an explosion with disastrous results. A hole 10 feet long and several in depth was torn in the earth. The engine was blown to pieces.

Drillers Haney and McGuire had a remarkable escape. They were standing within 20 feet of the scene of the accident, and were hurled 20 feet by the force of the explosion, but with the exception of a few bruises they escaped unhurt.

Persons one mile away were lifted from their feet from the concussion, and the jar was felt for 10 miles. Fire followed the explosion, but the flames were quickly extinguished.

## DRUNKARD'S MONSTROUS CRIME.

Shocking Death of an Italian Woman at Erie, Pa.

ERIE, Pa., Nov. 27.—The wife of Antonio Miagno died yesterday a most horrible death. Thanksgiving day Antonio became drunk and went to the cellar to get more liquor. He fell and his wife came to his assistance with a lamp, but he threw a hammer at her head and missed the mark. He then came upstairs with a can of oil and tar, which he threw in his wife's face. In an instant the mixture caught fire from the lamp and she was enveloped in flames.

Help arrived in time to prevent her from burning up where she stood. The woman was laid on her bed and when the officers arrived they found Antonio standing over his wife plucking the cooked flesh from her breast and arms in fiendish glee and cursing like a demon. When he was arrested, he raved and had to be subjected to rough treatment before he could be taken to the police station.

# FASCINATING CALVE.

The Greatest Singer of the Day Acknowledges Her Indebtedness to Paine's Celery Compound.

Emma Calve has attained a success unprecedented in the annals of lyric art.

To repeat the story of her triumph is needless. Her superb voice, her fascinating half-oriental dances, her caressing gestures, her black eyes, irresistible mirth—these, and the indescribable something more, make up the dazzling personation by which the artist has made her name famous in every part of the world.

Her marvelous artist temperament has made her a great actress, but this brings its own price, and as great hearts know great griefs, great temperaments must know great nervous strain, consequently, there are periods of nervous prostration and unfulfilled engagements when impatient audiences are apt to forget these extenuating circumstances.

Calve's absolute reliance on Paine's Celery Compound at all such times of low nervous energy appears in the following letter:

Boston, Mass., March, 1897.

I am convinced that Paine's Celery Compound is the greatest nerve strengthener that can be obtained. I can vouch for its wonderful health-giving power.

EMMA CALVE.

Every great change for the worse in health is in most cases at once betrayed by a loss of weight and a pinched thinning of the face. On the other hand, a gain in weight, up to a certain point, goes hand in hand with an improvement in all other essentials of health, and notably an improvement in the color and amount of the blood.

## K. of P. Election.

The following officers were elected at Limestone Lodge No. 36, K. of P., last night:

C. C.—M. B. Easton.  
V. C.—W. T. Berry.  
Prelate—C. R. Dawson.  
M. of W.—Fred Dressell.  
K. of R. and S.—J. L. Chamberlain.  
M. of F.—J. W. Lee.  
M. of E.—A. N. Huff.  
M. of A.—W. L. Stickley.  
Trustee For Eighteen Months—H. Ficklin.  
W. and O. Fund Trustees—George C. Easton, Sherman Arn.

## A Clever Trick.

It certainly looks like it, but there is really no trick about it. Any body can try it who has lame back and weak kidneys, malaria or nervous troubles. We mean he can cure himself right away by taking Electric Bitters. This medicine tones up the whole system, acts as a stimulant to the liver and kidneys, is a blood purifier and nerve tonic. It cures constipation, headache, fainting spells, sleeplessness and melancholy. It is purely vegetable, a mild laxative, and restores the system to its natural vigor. Try Electric Bitters and be convinced that they are a miracle worker. Every bottle guaranteed. Only 50c. a bottle at J. Jas. Wood's drug store.

## See the Minstrels Next Tuesday Night.

The Mahara's Minstrels have faithfully fulfilled all the promises made by their press agent, and as he is a little on the Rider Magard order, the claims were by no means tame ones. The singing part of the program has not been excelled by any company of minstrels visiting Denver. The voices of Billy Young and D. C. Scott, were their skins white, would win for them fame and fortune. A warm welcome from Denver playgoers awaits Manager Mahara when he again brings his company to Denver.—Denver Times, May 28, 1897.

At opera house next Tuesday night. Tickets at Nelson's.

It ain't around the table ez supports the biggest bird That the smiles shine out the freest an' the gentlest words are heard; An' the plainest kind o' service makes the merriest no less; It's the people, not the turkey, ez provides the thankfulness.

—Washington Post.

As elegant line of silverware for wedding presents always found at Ballenger's.

One of the surest tests of the health-making capabilities of Paine's Celery Compound is the rapid increase in weight and the increased ruddiness of the blood that invariably follows its use. It clears the skin, makes the excretory, purifying functions, performed by the bowels, kidneys and the skin, regular and thorough.

The improvement in looks from taking this great restorative is not a mere matter of idle vanity, but the sign of healthier processes all over the body. Many a parent, wife and husband have watched with growing surprise and joy some listless, white-blooded, feeble relative gaining, under the help of Paine's Celery Compound, flesh, color and wholesomeness of mind and body.

Not only is there a decided gain in the general health from the use of Paine's Celery Compound, but such disorders as sick headaches, rheumatism, neuralgia, kidney disease and nervous debility invariably yield to the vigorous building up of the health that this great remedy never fails to bring about.

Increased appetite, ready capacity to digest food and the final cure of stomach disorders, bowel difficulties and nervous derangement follow the use of Paine's Celery Compound.

As a prudent man insures his house against a contingency of fire, however remote, so persons feeling "run down" and tired should take precautions against serious breaking down in health by building up securely the strength and vigor of the entire system by means of Paine's Celery Compound.
